Product Description

Introduce:

Artificial Pine Cones, artificial pine branches and Lucky Coins Decorations are chic ornaments that add a unique element to Christmas trees and holiday decorations. They are made from high-quality artificial pine cones, pine branches and fortune berries, bringing a natural and festive atmosphere to the joyful Christmas scene.

Features:

One of the characteristics of these decorations is their variety. The combination of artificial pine cones, pine branches and fortune berries makes the decoration more layered and rich.

Material:

Made of high quality man-made materials. Artificial pine cones and branches are made from materials such as plastic or polyester to give them a realistic look and feel. The fortune fruit is made of metal or plastic and has a golden color, symbolizing good luck and prosperity.

Design:

These decorations are Christmas themed and beautifully designed. Artificial pine cones and branches take on natural shapes and textures to create a winter forest feel. The golden appearance of the fortune fruit adds a festive and auspicious atmosphere to the decoration.
