FAQ

1. Are artificial fiddle leaf fig trees suitable for outdoor use?

Although the artificial fig tree is designed for interior decoration, some variations are suitable for outdoor use. Inquire for specific information.

2. How to clean and maintain an artificial fiddle leaf fig tree?

Cleaning is easy; just lightly dust the leaves. For maintenance, occasional reshaping may be required to maintain a realistic appearance.

3. Can an artificial fiddle leaf fig tree be transplanted into a different container?

Yes, it's OK. Neutral planters are designed for easy styling, allowing you to customize the look to suit different decors.

4. Will artificial fiddle leaf fig trees fade over time?

High-quality artificial trees are carefully crafted to resist fading. However, leaving them in direct sunlight for extended periods of time may affect their longevity.
