## Product Description

This artificial rhododendron flowers are ideal for scenic and gardening emporium decoration. Made of high-quality fabric, each flower is full and lifelike. After glue treatment, the flowers and leaves are stable and not easy to fall off. The branches contain iron wire and can be bent into any shape for easy organization. This allows the fake rhododendron flower to present a lifelike effect in the landscaping of shopping mall areas, adding natural beauty to the environment. Whether it is in a flower bed or a gardening mall, it can show a leisurely and pleasant gardening scenery.
