Product Description

We offer customizable wedding simulation roses to meet your pursuit of the perfect wedding. These artificial roses are praised for their realistic appearance, with each rose carefully crafted to display the detailed texture and gorgeous petals of a real rose.

Lifelike: These artificial roses are precisely designed and crafted to look almost like real roses. The detailed petals, natural colors and authentic touch make it difficult to tell the difference from real flowers.

Customizability: We offer a variety of color and style options, allowing you to customize your rose bouquet to your wedding theme and personal preferences. You can choose to match roses in different colors to create a unique visual effect and make your wedding more personalized.

Long Lasting: Compared to fresh flowers, these artificial roses will not wither or fade, keeping their beauty for a long time. You can prepare your wedding bouquets in advance without worrying about them losing their luster on your wedding day.

Easy maintenance: Artificial roses require no special care and do not require regular watering or pruning. They require no special conditions and can be displayed in any environment, giving you a convenient and worry-free experience.
